Sheriff Stewart announces additional information available to the public

Beginning January 16, 2025, the Newton County Sheriff's Office began placing additional information including Calls for Service, Incident Reports, and Arrests, on our agency's webpage. This information is available at the following link <https://www.nc-so.org/media.html>. We will provide these reports on a daily basis. Monday reports will include information from the weekend.

-Calls for Service are any incidents a deputy either responds to or a self-initiated activity, such as a car stop.

-Incident Reports are all calls where the deputy took a report.

-Arrests are incidents where a deputy took an adult into custody.

"During my campaign, I made a promise to increase transparency to the public. Having this information available to our public is one more way that we are increasing transparency with our community."
